## Continental Landscaping Earns Coveted Angie's List Super Service Award

*Award reflects businesses' consistently high level of customer service*

Continental Landscaping has been awarded the prestigious 2011 Angie's List Super Service Award, an honor bestowed annually on approximately 5 percent of all the businesses rated on the nation's leading provider of [consumer reviews](#) on local service and health providers.

"Only a fraction of the businesses rated on Angie's List can claim the sterling service record of being a Super Service Award winner because we set a high bar," said Angie's List Founder Angie Hicks. "The fact that Continental Landscaping can claim Super Service Award status speaks volumes about its dedication to consumers."

Angie's List Super Service Award winners have met strict eligibility requirements including earning a minimum number of reports, an exemplary rating from their clients and abiding by Angie's List operational guidelines.

Ratings are updated daily on Angie's List, but members can find the 2011 Super Service Award logo next to business names in search results on [AngiesList.com](http://AngiesList.com).
